                                                                                 a
      are referring to.
                                                                 14
                                                                                          Bent Bertelsen?
15
                         Okay. Let's go to Exhibit 4017.
                                                                 15
                                                                                 THE INTERPRETER: Just checking the
                MR. OXFORD: It's the other binder.
16
                                                                 16
                                                                       spelling.
17
                                                                                          I believe it's B-E-R-T-E-L-S-E-N.
                        Sorry for all the binders.
                                                                 17
18
                                                                       If you look at the proposed agenda for the meeting
      Occupational hazard.
                                                                 18
19
                MR. OXFORD: We're happy to limit it to
                                                                 19
                                                                       with the IRS, it notes that SKAT wishes to have a
20
      one binder per deposition.
                                                                 20
                                                                       meeting in person with the IRS officials under the
21
                Q
                         Is this an e-mail you received
                                                                 21
                                                                       J-I-T-S-I-C umbrella, do you see that?
22
      from Lars Neilsen?
                                                                 22
                                                                                 Α
                                                                                          Is everything in English?
23
                                                                 23
                                                                                 a
                                                                                          This is the document as we
24
                        And we talked about him before, he
                                                                 24
                                                                       received it. So it is in English, and then I
25
                                                                 25
      worked in special control, correct?
                                                                       believe a Danish version is -- has a strike through.

2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	Q SKAT paid, right? A Yes. Q Where did you stay? A I don't remember the name of the hotel, but we have a unit in charge of booking hotels nearby the venue. Q What do you recall in terms of the substance of the meeting with the IRS? A So, as a manager, it is always nice to go out and meet other tax authorities. And I found out that my staff also had very fruitful discussions. Q At any time do you remember the IRS saying that there was a problem or deficiency with any U. S. pension plan? MR. OXFORD: Objection to form. A I don't remember the details, but I remember that my staff had their — some of their suspicions confirmed, and that we gained a better understanding of the relevant rules. BY MR. DULBERG: Q Can you identify any information	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	Q There were minutes maintained by SKAT summarizing this meeting, correct? A I don't remember. But usually that is what we do. Q If you can find Exhibit 4024, I think you will find those minutes. Do you see Exhibit 4024? A Yes. Q Is this an e-mail you received from Bent Bertelsen? A Yes. Q You sent it to a group that attended the meeting with the IRS, correct? A Yes. Then he has cc-ed his boss. Q That is Kai Jacobsen? A Yes. Q He attached his notes from his meeting with the IRS, correct? MR. 0XFORD: Objection to the form. A Yes. Well, I can't really see whether it is his. BY MR. DULBERG:
